Crosskey Villages Park – 117th Ave and Blondo  
(See Attached Map)

It's that time of year again. Your younger member co-chairs would like to present the NEASCE Younger Members Group Annual Kickball Game. Before the warm weather ends, come have one last chance for a fun outdoor activity with other younger members!

Drinks and snacks will be provided during the game, and if some want the fun to continue after we're all kicked-out, even better!!

Please reply to this email if you would like to play. Also, feel free to invite friends and other young engineers from your firm for a fun evening of kickball. If you have any questions, please contact Andres Torres (andres.torres@valmont.com) or Joe Flaxbeard (joe.flaxbeard@Ira-inc.com) the younger member co-chairs bringing you this event.

Hope to see you there!!
